Metsakukka - pg 2

"If you go to a festival in Finland, you'll hear this tune played a thousand times a night, and you'll learn to hate it!" Ruthie Dornfeld. The way Ruthie plays this tune, I really don't think I could learn to hate it. She brought it back from one of her many Scandinavian visits, where she seems to go if she's not visiting Brazil or Germany. Also published in *A Little CoupleDancemusik*, by Peter Barnes. You can hear Ruthie and her Scandinavian friends play together as The American Cafe Orchestra on *Somewhere in Sweden*, *American Cafe Orchestra*, and *Egyptian Dominoes*. Available from Ruthie Dornfeld, 1608 Cambridge St, Cambridge, MA 02138.
